

## PROGRAM OBJECTIVE

The objective of the *Radiologic Clinics of North America* is to keep practicing radiologists and radiology residents up to date with current clinical practice in radiology by providing timely articles reviewing the state of the art in patient care.

## TARGET AUDIENCE

Practicing radiologists, radiology residents, and other healthcare professionals who provide patient care utilizing radiologic findings.

## LEARNING OBJECTIVES

Upon completion of this activity, participants will be able to:

1. Describe the complexity of interstitial lung disease and how imaging is utilized to help identify abnormalities, make a diagnosis, and creating an appropriate a course of treatment.
2. Discuss the value of a multidisciplinary approach to using imaging techniques, both conventional and novel, to support clinical manifestations of interstitial lung disease and identify mortality risk in patients across the life span.
3. Recognize imaging as a crucial diagnostic, prognostic, tracking disease progression, and management tool for interstitial lung disease.

## ACCREDITATION

The Elsevier Office of Continuing Medical Education (EOCME) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The EOCME designates this journal-based CME activity for a maximum of 13 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

All other healthcare professionals requesting continuing education credit for this enduring material will be issued a certificate of participation.

## DISCLOSURE OF CONFLICTS OF INTEREST

The EOCME assesses conflict of interest with its instructors, faculty, planners, and other individuals who are in a position to control the content of CME activities. All relevant conflicts of interest that are identified are thoroughly vetted by EOCME for fair balance, scientific objectivity, and patient care recommendations. EOCME is committed to providing its learners with CME activities that promote improvements or quality in healthcare and not a specific proprietary business or a commercial interest.

**The planning committee, staff, authors, and editors listed below have identified no financial relationships or relationships to products or devices they or their spouse/life partner have with commercial interest related to the content of this CME activity:**

William F. Auffermann, MD, PhD; Melissa B. Carroll, MD; Cato Chan, MD; Jessica Chan, MD; Apeksha Chaturvedi, MD; Lydia Chelala; Katherine A. Cheng, MD; Jonathan Chung; Olivia DiPrete, MD; Bastiaan Driehuys, PhD; Florian J. Fintelmann, MD; Dane A. Fisher, MD; Jeffrey R. Galvin, MD; Francis G. Girvin, MD; Daniel B. Green, MD; James F. Gruden, MD, FCCP; Travis S. Henry, MD; Stephen B. Hobbs, MD; Kimberly Kallianos, MD; Florence K. Keane, MD; Seth Kligerman, MD; Pradeep Kuttysankaran; Michael Lanuti, MD; Christopher Lee, MD; Edward Y. Lee, MD, MPH; Gregory M. Lee, MD; David A. Lynch, MBBch; Joseph Mammarrappallil, MD, PhD; H. Page McAdams, MD; Mark C. Murphy, MBBch, BAO; David P. Naidich, MD; Holly Nichols, MD; Andrea S. Oh, MD; Bryan O'Sullivan-Murphy, MD, PhD; Vanessa Rameh, MD; Yasmeen K. Tandon, MD; Doreen Thomas-Payne, MSN, BSN, RN, PMHNP-BC; Sara O. Vargas, MD; Lara Walkoff, MD; Lacey Washington, MD; Abbey J. Wiant, MD.

**The planning committee, staff, authors, and editors listed below have identified financial relationships or relationships to products or devices they or their spouse/life partner have with commercial interest related to the content of this CME activity:**

Robert W. Hallowell, MD: Consultant: Boehringer Ingelheim, Genentech, Dynamed; Researcher: Boehringer Ingelheim, Regeneron, and Galapagos; Advisor: Boehringer Ingelheim

Lida P. Hariri, MD, PhD: Researcher: Boehringer Ingelheim; Consultant: Boehringer Ingelheim, Pliant Therapeutics, Bioclinica, Biogen Idec

Sydney B. Montesi, MD: Researcher: Merck, United Therapeutics, Pliant Therapeutics; Consultant: DevPro Biopharma, Gilead Sciences, Roche

Meghan J. Mooradian, MD: Consultant/Speaker: AstraZeneca, Bristol Myers Squibb, Istari Oncology, Nektar Therapeutics, Immunai

Christopher M. Walker, MD: Speaker: Boehringer Ingelheim

## UNAPPROVED/OFF-LABEL USE DISCLOSURE

The EOCME requires CME faculty to disclose to the participants:

1. When products or procedures being discussed are off-label, unlabelled, experimental, and/or investigational (not US Food and Drug Administration [FDA] approved); and
2. Any limitations on the information presented, such as data that are preliminary or that represent ongoing research, interim analyses, and/or unsupported opinions. Faculty may discuss information about pharmaceutical agents that is outside of FDA-approved labelling. This information is intended solely for CME and is not intended to promote off-label use of these medications. If you have any questions, contact the medical affairs department of the manufacturer for the most recent prescribing information.

#### **TO ENROLL**

To enroll in the *Radiologic Clinics of North America* Continuing Medical Education program, call customer service at 1-800-654-2452 or sign up online at <http://www.theclinics.com/home/cme>. The CME program is available to subscribers for an additional annual fee of USD 356.00.

#### **METHOD OF PARTICIPATION**

In order to claim credit, participants must complete the following:

1. Complete enrolment as indicated above.
2. Read the activity.
3. Complete the CME Test and Evaluation. Participants must achieve a score of 70% on the test. All CME Tests and Evaluations must be completed online.

#### **CME INQUIRIES/SPECIAL NEEDS**
